**ROHS/REACH Compliance Statement  
(15 December 2020)**

REACH (Registration, Evaluation, Authorization and Restriction of Chemicals) is a European Union Commission (EUC) Regulation on chemicals and their safe use (EC 1907/2006) entered into force on June 1, 2007.

Honest Components, Inc. supports the aim of REACH in improving the protection of human health and the environment through better and earlier identification of the intrinsic properties of chemical substances. Honest Components Inc. meets all applicable REACH requirements and is committed to providing our customers with information about substances in its products as required.

Under REACH, the registration of substances which are used in the manufacturing of articles does not apply to Honest Components Inc. operations.

Honest Components Inc products are defined as “articles” in REACH Article 3(3), and do not release substances under their normal use. Suppliers of articles must provide recipients with information on Substances of Very High Concern (SVHC) if they are present in a concentration limit above 0.1% on an article level. Honest Components Inc. products do not contain any of the currently listed SVHC’s, and Honest Components Inc. will work with suppliers to ensure that any SVHC findings would be notified to the European Chemicals Agency as necessary to comply with REACH requirements.

Honest Components Inc. assures its customers that our products are in full compliance with the REACH requirements. Questions regarding our REACH compliance can be addressed through contact as follows:
