

Honest Components

Capabilities Statement

Honest Components is an independent supplier of obsolete and hard-to-find active, passive, and electromechanical components for the Industrial, Commercial, Military, Medical, Automotive, Aerospace, and Government sectors.

We pride ourselves on our unwavering commitment to quality and regulatory compliance, as evidenced by our ISO 9001:2015 and AS9120B certifications. We are also a certified Woman-Owned Small Business (WOSB) by the SBA, ITAR registered by the U.S. Department of State, and an active member of the Government-Industry Data Exchange Program (GIDEP).

In our relentless pursuit of integrity and excellence, Honest Components bears the cost for Global ETS, a third-party ISO/IEC 17025:2017, and AS6171 accredited test lab to authenticate every order.
